Présentation

These joint programmes are offered by Mykolas Romeris University - MRU (Lituanie) and Université Savoie Mont Blanc -USMB (France) option 1, one the one hand and by the Università degli Studi di Torino -UNITO (Italy) and the Université Savoie Mont Blanc -USMB (France) option 2, one the other hand. First year of studies is held at MRU or UNITO, second year at USMB . Graduates of these programmes will be awarded with two diplomas - one issued by MRU or INITO, the other by USMB. These programmes are taught in English - lectures face to face. Thus perfect command of English (these double Master's degrees in Business Law conducted with the Mykolas Romeris University of Vilnius or Università degli Studi di Torino are taught 100% in English) and the nature of the trainings open up high-level international horizons.

Objectifs

The objective of European and International Business Law programme (Options 1 & 2) is to prepare highly qualified business law specialists, who are able to provide legal advice to the transnational and European business environment, to explain the latest business law issues and trends, to analyse and assess business-related legal situations, promptly and effectively deal with legal problems faced by business,

conduct research and provide suggestions for the legislator on the improvement of business environment regulation.

- Expression / Mobilisation at a high level of English proficiency
- Management of the various legal problems that companies may face
- Consideration of the financial and commercial constraints of companies
- Providing leading legal expertise on dispute resolution procedures
- Application of rules and principles relating to international contracts (European Union focus)
- Analysis and drafting of international contracts
- Handling of international litigation files

Dimension internationale

First year (M1) of studies is held at MRU (Lithuania) or UNITO (Torino - Turin), second year (M2) at USMB. Graduates of this programme will be awarded with two diplomas - one issued by MRU or UNITO, the other by USMB.

- Providing legal advice to the transnational and European business environment
- Explain the latest issues and trends in European and international business law
- Analyze and evaluate the legal situations related to the cases
- Dealing quickly and efficiently with legal problems encountered by businesses
- Conducting research and making suggestions to legislators on improving business regulation
- Communicate/express in English
- Providing expertise
- Providing international consultancy services
- Bringing a multicultural approach to law
- Argue (in writing and orally), convince and explain
- Understanding the client's or company's environment in its entirety and transversally (fiscal, social, competition, industrial, financial, corporate or contractual, organisational and managerial).

Note: the semester 4 of the second year is devoted to an internship in the field (in Europe in priority) and to the defence of a Master thesis written in English (see below).

Organisation

Effectifs attendus

- 5 USMB students have a reserved place in M1 "European and international business law" at MRU in Vilnius (Lithuania)

- 5 USMB students have a reserved place in M1 "European and international business law" / "European Law Studies" at UNITO in in Torino/Turin (Italy)

- a maximum of 40 places is possible within the M2 "European and international business law" in Chambéry

Date de début de la formation : 1st fortnight of September

Date de fin de la formation : 1st fortnight of July (a possible second session of exams - defence of a Master thesis could be held by the end of September)

Admission

A qui s'adresse la formation ?

These programmes are dedicated to good students, holding a bachelor degree (or its equivalent - preferably in Law) looking for a high level qualification in European and International Law. These masters' degrees are intended for any good undergraduate student (preferably in Law) wishing to follow a highly professional training course, the value of which is recognized.

Applicants enrolling for the joint European and International Business Law masters' degrees programmes (implemented in English) must have a sufficient knowledge of the English language, no less than the B2 level (according to the "Common European Framework of Reference for Languages", adopted by the European Council).

Attendus de la formation

A solid legal basis is recommended to profitably follow these demanding Masters Courses (Options 1 & 2) aimed at training high-level European and international lawyers.

Et après

Poursuite d'études

Acquisition of a master's degree in law entitles to continue studies in the legal area and other fields of research (social science) in the third cycle of studies (PhD) and to acquire a PhD in social sciences.
