Présentation

IAE offers courses in English during one semester (the fall semester), for incoming students who want to spend one semester in France without proof of proficiency in French and for French-speaking students enrolled in a complete Bachelor curriculum who wants to follow courses in English.

For a **complete Bachelor curriculum**, students are first invited to choose a more specific curriculum among the others presented:

- * [Prévisions, Economie et Finance](#)
- * [Marketing et Communication](#)
- * [Informatique, Numérique et Gestion Industrielle](#)
- * [Business et Commerce International](#)

Courses of French as a foreign language are also available, in the late afternoon.

Objectifs

- * To propose a full English and multicultural environment to French and foreign students
- * To deliver high level courses in management
- * To create links between theoretical studies and the exercise of responsibilities in the business world
